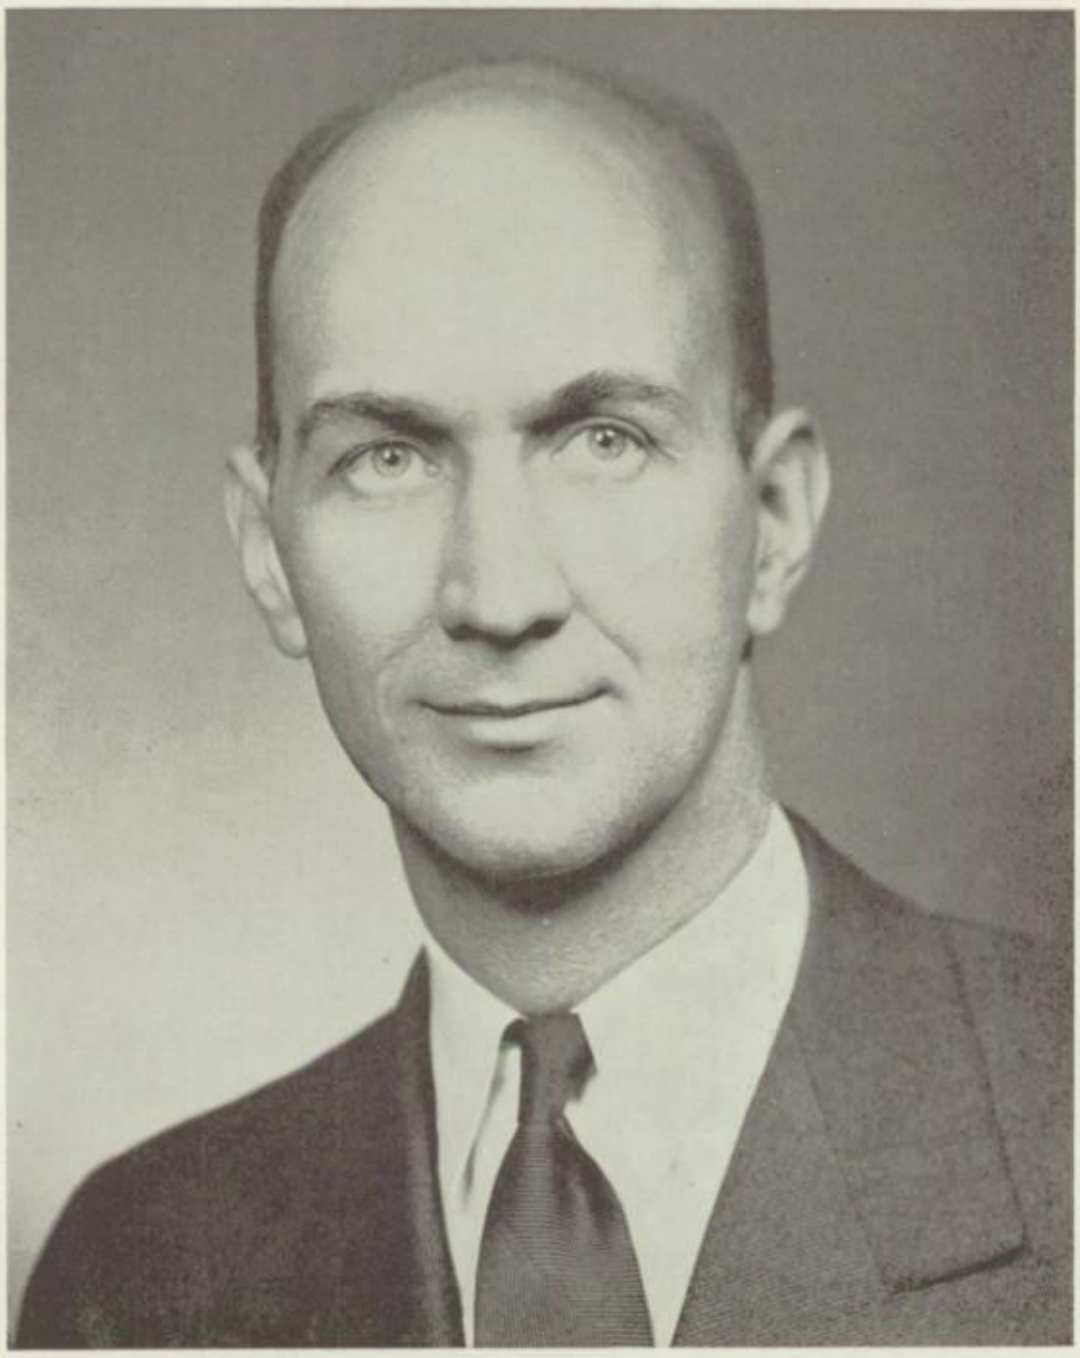
The Staff

Dedication

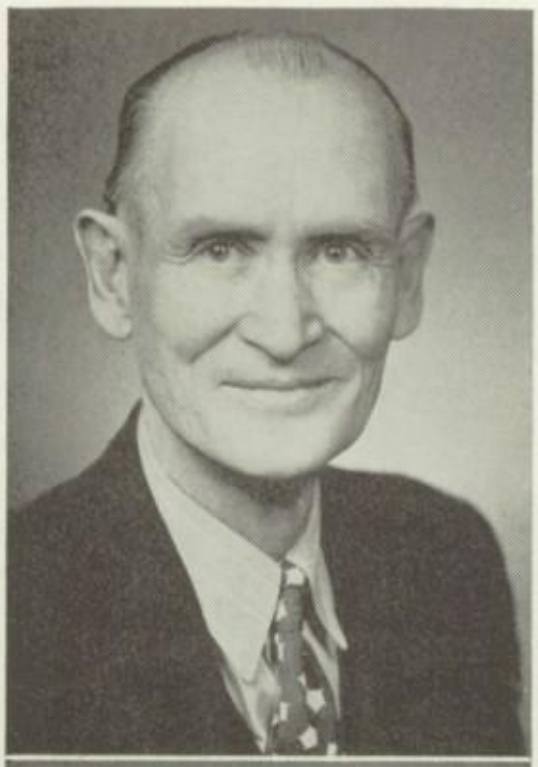
We, the Senior Class of 1944, dedicate this publishment of the "Otter" to the service men who have attended Otter Creek High School.



In Appreciation

To Mr. Herbert Lamb, our beloved and respected principal, we express our sincere appreciation for his guidance throughout our years at Otter Creek High School. His friendly and sympathetic leadership will serve us through the coming years.

Mr. Lamb graduated from Garfield in 1922. He attended Indiana State Teachers College and graduated in 1927 and received his Masters Degree in 1932. After three years of teachings here, he became principal in 1935.



Mr. Theodore Haase is the township trustee.

He is a life-long resident of this community, and he is vitally interested in the Otter Creek schools. He is the father of six girls all of whom have attended Otter Creek.

Miss Helen Hale, school clerk, is a graduate of 1942. She won the D. A. R. award for that year and was very high in scholastic honors. She worked on the staff of the school paper and belonged to Blue Tri.

Her help in typing for the "Otter" was very much appreciated by the staff members.

Mr. Clarence Pound, our County Superintendent of Schools, graduated from Indiana State and received his Master's degree from Chicago University. Since teaching at Otter Creek, he has been Principal at Pimento, Glenn, and Rankin.

He has been County Superintendent for the past eight years, and much of the progress of the county schools can be credited to his untiring efforts.

Senior Class History

In the fall of 1940 a timid class of seventy-one students entered the portals of the great institution of Otter Creek High School as freshmen. We elected the following students as class officers: Kathryn Riddle, President; Mary Hurst, Vice-President; and Glenn Stultz, Secy-Treas.

Norman Remington represented our class on the varsity basketball team. Our "Freshie" boys were the winners of the inter-class basket-ball tournament, and the girls were forced to take last place in the girls tournament. We were given a class party in the gym by Mrs. Abbott, our class sponsor.

The following fall an enrollment of sixty three students, feeling more important as sophomores, elected the following for class officers: Bob Bryant, President; Walter Bramble, Vice-President; and Glenn Stultz, Secy-Treas.

As "Sophies" we enjoyed a successful year. Our boys again proved to be "champs" of the inter-class tournament, and the girls, improving rapidly, were runner-up in the girls' tournament. We were represented by two boys, Norman Remington and Bob Bryant, on the varsity team. We had a most enjoyable class party given by our sponsor, Miss Hughes.

As juniors in '43, we were responsible for the annual prom. To finance it, we worked very hard selling candy and refreshments at noon. We also gave the "Air Raid Revue."

We were well represented on the varsity by six lettermen, namely, Norman Remington, Bob Bryant, Don Smith, Bob Richardson, Walter Bramble, and Jerry Neese. These members were responsible for a successful season. Our class officers were Don Smith, President; Walter Bramble, Vice-President; and Glen Stultz, Secy-Treas. We had an enrollment of forty-five students.

During this year our Student Council was organized, and our junior class was represented by Kathryn Riddle, Don Smith, Don Mowery, and Glenn Stultz.

Senior Class Prophecy

It was a cold, wintry night in 1955. Garland Baker was amusing his three year old daughter with tales of his youth in Otter Creek High School. "But, Daddy, where are they now?" asked tiny Ruth Doris.

"Well," answered Garland, "It's a long story, sit down, and I'll tell you what happened to the class of "44.

"Virginia Austin is now a second Helen Hayes; her leading man is the one and only handsome Jerry Neese.

"Russell Boatman went rabbit hunting just often too often, and Juanita Boner divorced him.

"Benjamin Bockhold won world fame as a veterinary when he cured Bill Cornell's horse who had just won the Kentucky Derby a few weeks before.

"Anna Remington and Walter Bramble are to be congratulated on their 10th wedding anniversary.

"Ruth Doyle is living in the beautiful suburbs of North Terre Haute and has little Gene, Jr.

"Robert Bryant is still dreaming of his WAVE, Dot, and the swell times he had at Otter Creek.

"Charlotte Haase, famous artist, has just completed a painting of her neighbor, Doris LaFollette. Doris helping Jack Evans in his nation wide gas stations.

"Leroy Harder, who gained most of his knowledge through Mr. Coverstone's physics class is a world famous teacher of centrifugalism.

"Margie Huffman, who's fine voice was trained in college, is now the world's champion hog caller.

"Jack Steiner replaced Bob Burns, the Arkansas traveler, two years ago.

"Helen Schulte has made a business out of suing old millionaires.

"Robert Kirk realized his ambition and opened an agriculture kindergarten five miles north of North Terre Haute.

"Mary Jones is a famous opera star at the Metropolitan, with Frank Slattery directing.

"Bob Richardson forgot to turn off his motor, and grew to be the world's tallest man.

"Donald Mowery became a millionaire off his cider stand and plans to run for President if Roosevelt ever retires.

"Kathryn Riddle and Cleta Poff have become a famous television comedian team along the Spence-Coverstone line.

"Douglas Moody is now playing in the Panther Room of Hotel Burnett.

"James Ross has just won the 500 mile speedway race at Indianapolis.

"Norman Remington, the famous gambler, who won ten million and has retired.

"Don Smith has been an aviator for eleven years (flying high for Austin's heart).

"Joyce O'Rourke and Betty Sturm run a skating rink along with many other things.

"Joan Smith has retired from her ambitious typing and now has two little Bruces.

"Cleo Smith has bcome famous since she became editor of Dorothy Dix's lovelorn column.

"Irma Neese has become a traveling companion for Mrs. Roosevelt on her many trips.

"Eleanor Jones is now nurse superviscor of the third floor in Union Hospital.

"Then there is one sad case—Jack Miller got disguested with the human race and became a hermit.

"And that's what happened to the class of '44.

The play takes place in a doctor's sanatorium in the desert where people have gone to be helped by the doctor's concentrated food diet. The concentrated food pills get mixed up with the Anger, Love, and Truth pills. In bringing about the delightful end, it makes a hilarious comedy.

This play, "Soup to Nuts," was presented by the senior class on March 10.

Senior Class History

(Continued from Page 6)

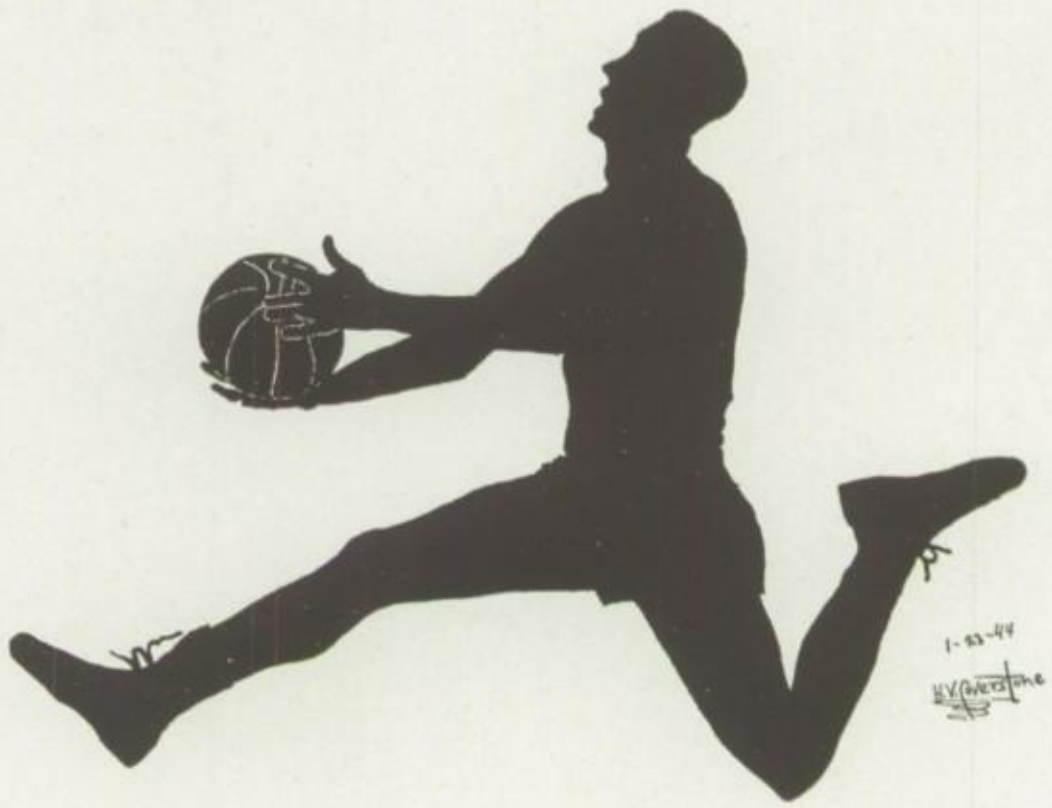
In the fall of '43, forty-one intelligent students entered the portals of our great institution as dignified seniors. We elected the following class officers: Don Smith, President; Boy Bryant, Vcie-President; and Irma Neese, Secy-Treas. Student Council members were Kathryn Riddle, Virginia Austin, Joyce O' Rourke, Don Smith, Don Mowery, and Bob Bryant.

During the year we took interest in such senior activities as selecting our caps and gowns, working on our annual, selecting and giving our senior play, and preparing for graduation.

From the athletic standpoint the class was "tops." We were represented by six players on the varsity basketball team. Coach Fred Spence depended on these players for victories.

As we close our high school career, we the class of '44 look to the future, hoping that our lives may be happy and successful ones.

—By Walter Bramble and Don Mowery



Athletics

Our Coach

When we needed a coach this fall Mr. Fred Spence came to our assistance. Although he had never coached before he was backed by seventeen active years in athletics—four years at Otter Creek, four years at State, and as a referee since his graduation from college.

He won the Gillum Award which is awarded annually to the senior who rates highest in scholarship, athletic ability, sportsmanship, and general worth to the college. He also won the Bigwood Award in football.

The Otter Creek "Otters" opened the 1943-44 season with a veteran team. We were very fortunate having lost just one senior by graduation last year. The varsity squad this season was made up of 6 seniors, 1 junior, and 3 sophomores.

Fred Spence, our commerce teacher, took over the coaching job this year. We all want to thank him for his splendid work because he did a grand job.

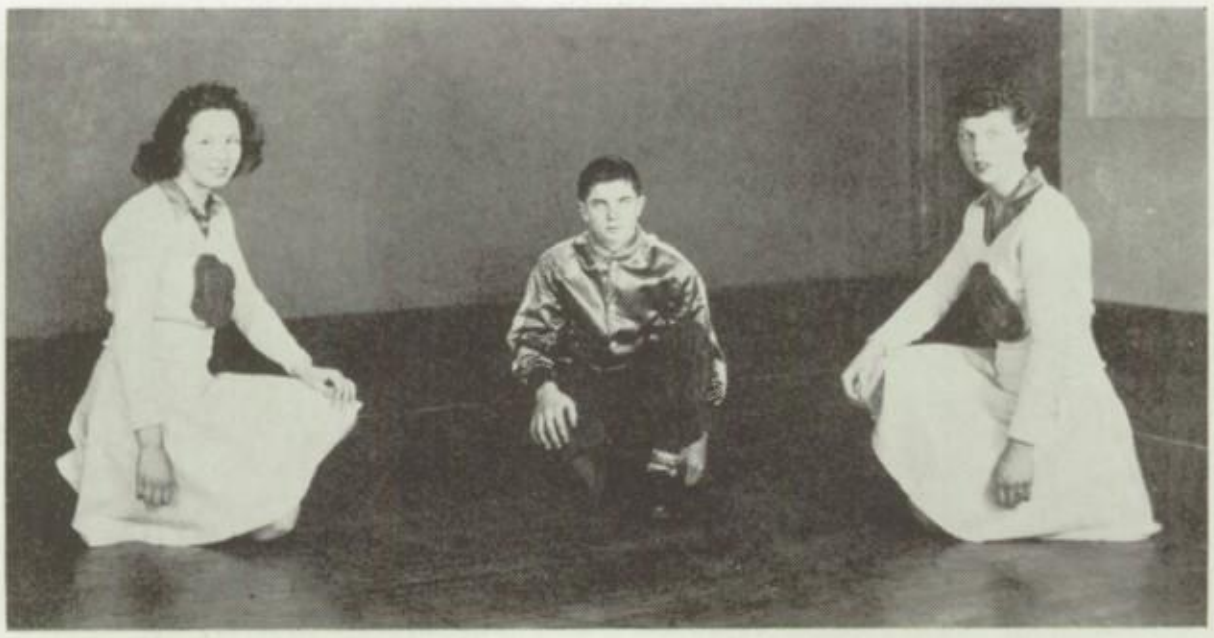
The "Otters" went through the first ten games undefeated. Some of the games were close, and the Pimento and West Terre Haute games ran overtime, but the boys managed to come through on top. However, when they journeyed to Brazil to play the Wabash Valley Champs, their record was broken by a 29-26 loss.

The following week was the Wabash Valley Tourney. With two of our regulars, Remington and Smith, suffering from injuries, we were eliminated from the tourney by Tech, 30-22, after we had defeated Concannon, 37-25, in the opening round.

After a rest of two weeks the "Otters" lost a hard fought heartbreaker to Garfield, 33-32.

During the season Remington, Richardson, and Smith were high point men with Bramble, Bryant, and Neese playing fine floor defensive games.

Since six of the boys are to graduate, next year's team will be somewhat inexperienced, but we wish them lots of luck and hope they come out victorious.



Yell Leaders

Joyce "Ced" O'Rourke—a senior girl who is an efficient yell leader. She has the spirit needed to spur a team on.

Bob "Shorty" Kirk—our little man who has been yell leader for three years. His pep has inspired many boosters of the Otters.

Betty' Mush" Sturm—another senior and the author of some of our new yells, a very energetic leader too.
